So you've got forty kids coming over and not a clue what to do? Michael Shaun Hennessey has just the trick! A legend in his own time, Michael will keep your young guests wondering where all of the pretty gifts have gone while participating in a fun and often hilarious interactive mystery game. Or perhaps the kids will get to indulge in Michael's infamous "messy party," in which they use food to paint their bodies. Imagine making peanut-butter-and-jelly sandwiches with the bottoms of your feet! Michael will gladly come to a party as any character you'd like, and he'll oversee face painting, dance contests, juggling, and balloons.

*Claim to Fame:* After seeing him perform, Arnold Schwarzenegger hired Michael to create his daughter's 101 Dalmations party.
